

The Elizabeth Stone House “Adopt a Family” holiday program!

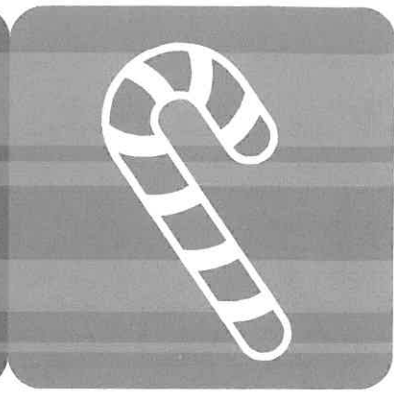

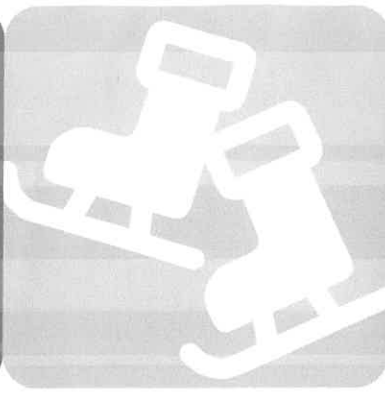

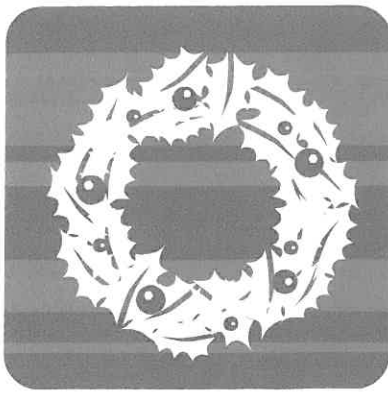

Every year, members of the Stone House community “adopt” families for the holidays. Each resident mother and child fills out a holiday wish list. Items on this list, as well as sizes, are then given to the community member adopting them. Depending on the size of family you are interested in adopting, ESH will then assign you a family that meets your needs. Of course we know that not every wish will be met.

In December, the gifts can either be delivered to the Elizabeth Stone House by December 10th, or a Stone House staff can come and pick up the items at your convenience. We ask that the items remain unwrapped (although you can feel free to provide wrapping materials), so that the women have a chance to wrap the gifts for their children.

If you are interested in adopting a family over the holiday season,
please contact Amanda Green at (617) 427-9801 x 416 or

Thank you for making this holiday season, a special season for the families of the Elizabeth Stone House.
