

Directions to:
Centredale Manor
2074 Smith Street
North Providence, RI 02911
(401) 232-3770

From Providence: Route 146 North to the Mineral Spring Avenue exit. At end of ramp, take a left onto Mineral Spring Avenue. Follow Mineral Spring Avenue to end (road bears to right). After next traffic light, you will see a fork in road with a high-rise building in front of it. Go straight into building driveway. Centredale Manor is the building at the end of driveway on your left.

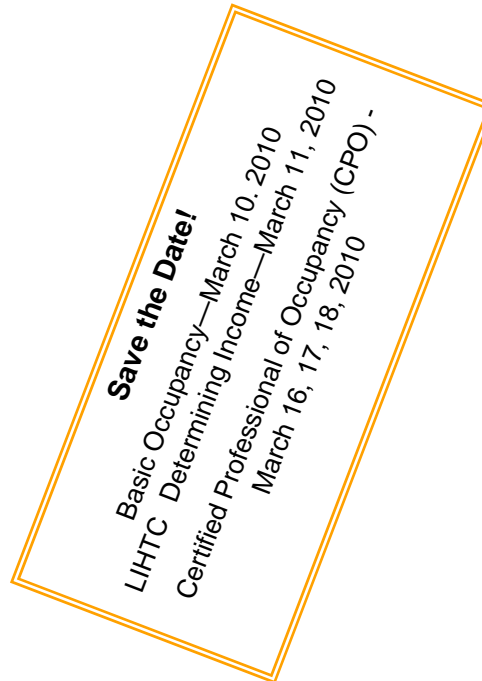

From the South: Take 1-295 North to RT 44 East, exit 7A (towards Centredale). Follow Route 44 east 1.7 miles. After the traffic light (where burger king is on your left), take a right into the building driveway right before Cumberland Farms. Centredale Manor is the building at the end of the driveway on your left.

“How to Prevent Injuries on the Job”

Presenter:
Michael Clark,
Roto Rooter

www.neahma.org

Program Overview

This is an important presentation gives an overview of safety practices for staff that work with hazardous materials such as chemicals, tools and power equipment. It is *not* an OSHA certified safety class.

The first part of the presentation will identify the most common injuries on the job and the mistakes made that cause these injuries.

The second part of the presentation will teach you ways to prevent job injuries and educate you on the protective gear available to help avoid these injuries.

Michael Clark has trained for some of the largest property management companies in the country. Michael is a recognized trainer for many of the Affordable Housing Management Associations as well as various Apartment Associations and IREM.

NEAHMA would like to thank Cornerstone Corporation and the Staff at Centredale Manor for hosting this training.
