Join your peers and a distinguished panel of experts in a discussion regarding the many trials, tribulations and rewards of ending smoking at subsidized housing sites.

Panelists will address the subject from their different perspectives:

Jan Johnston and Marlene Santurri from HUD will present recent HUD directives and guidance encouraging owners to make their properties smoke free.

Walter Harper, Director of the RI Tobacco Control Network, will discuss the latest RI legislative action on the topic as well as present helpful resources to aid in the effort of getting a building smoke free.

Attorney John Dineen will outline his experience with the legal ramifications surrounding the issue in Rhode Island.

Ms. Pauline Perkins-Moye, Director of Social Services for the Housing Authority of the City of Newport will present her experience with getting the city's public housing properties smoke free.

Carolyn Izzl, Property Manager, and Gloria Isacco, RSC, of Canonchet Cliffs which has been smoke free for several years, will present the ongoing issues they are facing in keeping their property smoke free.
