

## SENIOR PROPERTY MANAGER

The Barkan Companies ([www.barkanco.com](http://www.barkanco.com)) are a diversified group of real estate businesses with a solid record of success in property management, construction, and development. Today we employ over 600 people and provide services to 125 residential communities in 14 states with offices in Boston, Providence, Hartford and Washington DC. Barkan is an equal opportunity employer and offers a competitive salary and opportunities for advancement.

Seeking **experienced property manager** for a 240-unit community in Brighton. Candidate must have proven track record in S8 housing, with deep knowledge of HUD and MassHousing regulations. Diverse resident culture, with expanded services and large building staff (10+) to supervise. Must have strong leadership and organizational skills, proficiency in budgeting and financial reporting, physical plant and related contract services and a passion for senior housing. Great opportunity to work with a dynamic non-profit focusing on development and outstanding tenant services. Excellent salary and benefits.

Please note that all job offers are contingent upon passing a background check and drug test.

Please submit resume and cover letter to [bcstaffing@gmail.com](mailto:bcstaffing@gmail.com).
