

IT Developer 2

Department: Information Technology

Location: Rocky Hill, CT

Connecticut Housing Finance Authority (“CHFA”) is a self-funded, quasi-public organization. Its mission is to alleviate the shortage of housing for low-to moderate-income families and persons in the state of Connecticut (“State”) and, when appropriate, to promote or maintain the economic development of the State through employer-assisted housing efforts.

CHFA is a mission-driven leader in creating [#affordablehousing](#) opportunities for families and individuals in Connecticut. We believe in the power of the diverse and inclusive communities we serve. We provide a challenging, progressive and supportive environment that encourages and promotes employee development.

We offer competitive salaries; tuition reimbursement; 457 deferred compensation, state sponsored pension plan, comprehensive health, dental, life, and disability plan, paid vacation, sick, and holidays, hybrid work schedule, ongoing training, career development and if qualified employee may be eligible for student loan forgiveness under Federal Loan assistance program

PURPOSE OF POSITION:

Provide application development, including designing, coding, testing, deploying, documenting and supporting of new and existing database driven applications. The ideal candidate will be an advanced systems developer with a minimum of 2 to 4 years’ experience utilizing Microsoft development tools and practices in both Web and Windows environment.

For more details and to apply for the position please visit <https://www.chfa.org/careers>.

CHFA is an equal opportunity/affirmative action employer and strongly encourages the applications of women, minorities, veterans and persons with disabilities.
