

Maintenance Technician

Methunion Manor Cooperative a 149 unit family housing development located in the South End of Boston, MA, is seeking a full-time Maintenance Technician. Work hours are 40 hours per week with alternating weeks of 8am-4pm and 9am-5pm. The successful candidate will have general experience with plumbing, electrical, carpentry, appliance repair and HVAC. Excellent communication skills and strong customer service skills are required. Previous apartment and building maintenance experience is preferred. A valid Driver's License with your own vehicle and the ability to participate in emergency on-call service rotation and snow removal are also required.

The successful individual will have a strong desire to be part of a true, diverse team and to work in an environment that fosters learning and professional development through interaction with other property management professionals in a stable and growing company. The successful candidate will have had a positive experience of working as part of a team of professionals.
