

Dear NAHMA Members,

Below, please find information from HUD regarding upcoming Lead Safe Housing Rule Amendment trainings.

Register Today: Lead Safe Housing Rule Amendment Trainings – Summer 2019

Do you know how the amendment in the Lead Safe Housing Rule (LSHR) affects your work as a public housing agency (PHA), grantee, or assisted housing owner? HUD's Office of Lead Hazard Control and Healthy Homes (OLHCHH) is pleased to announce the 2019 Lead Safe Housing Rule Amendment Trainings coming to a HUD Office near you.

These **free** 3-hour trainings help you review federal lead regulations and discuss the LSHR Amendment for pre-1978 housing. Presenters provide a step-by-step explanation of how PHAs, grantees, and owners respond to cases of elevated blood lead levels in children less than 6 years old living in a federally assisted housing unit. Registration Information

You must have a HUD Exchange account to register. Follow these [instructions for registering](#).

Due to the limited availability of training seats, organizations are limited to 2 staff members from each organization. Additional staff will be waitlisted and permitted to register as space is available. Homeowners and HUD staff will be waitlisted and permitted to attend if the training does not reach capacity. If your organization conducts both TBRA and Conventional Public Housing/PBA, we

recommend sending a different team member to each session or attending one in-person training and one webinar session.

Please note, your enrollment does not guarantee approval. You will receive a confirmation email once your enrollment has been approved. Please DO NOT make any non-refundable travel arrangements until you receive an email confirmation notice. HUD cannot be responsible for penalties incurred due to cancelled arrangements.
