

NAHMA HUD Update: Implementation of FY17 Funding Provisions for the HCV program

Dear NAHMA Members,

Attached, please find HUD's recent notice, PIH 2017-10 (HA), regarding **implementation of the Fiscal Year 2017 funding provisions for the Housing Choice Voucher (HCV) program.**

Funding is provided through the Consolidated Appropriations Act, 2017, which HUD allocates to public housing agencies (PHAs) as described in the attached notice. Renewal funding is based on validated Voucher Management System (VMS) leasing and cost data for the prior calendar year (January 1, 2016 – December 31, 2016.)

In 2017, the amount Congress appropriated to fund the HCV program is broken down as follows:

2017 Appropriations

HAP Renewal Funding	\$18,355,000,000
Tenant Protection Vouchers	\$110,000,000
Administrative Fees	\$1,650,000,000
Mainstream 5 Year Program	\$120,000,000
Tribal HUD-VASH Renewals	\$7,000,000
Veterans Affairs Supportive Housing	\$40,000,000
Family Unification Program	\$10,000,000
Total Available CY 2017 Appropriations	\$20,292,000,000

The attached implementation notice provides information on how HUD calculates HAP renewal funding for each PHA's HCV program. The notice encourages PHAs to pay particular attention to the set-aside funding provisions listed in Section 5 and Attachment A.
