

Service Technician

New Orchard Hill Estates in Oxford, MA needs a responsible and reliable service technician who will report directly to the Service Manager & Community Manager. Responsibilities include but are not limited to: performing necessary maintenance work, including general carpentry, electrical, and plumbing; prioritize and complete upgrades and work requests, interact with tenants in a respectful manner as a company representative. Respond to emergency maintenance calls after normal business hours and/or weekends, be available for snow removal and able to perform light paperwork. Qualified candidates must have demonstrated residential maintenance experience. Must have strong communication skills, general computer skills, ability to adapt to a fast paced environment, multitask and work independently with attention to detail. Able and willing to lift heavy items, use ladders and stairs. Interested individuals should send a resume to Brenda Wilson at bwilson@trinitymanagementcompany.com
