Eliminating Secondhand Smoke In Multi-Unit Residential Buildings

**Warwick Public Library - Large Conference Room
600 Sandy Lane, Warwick RI 02889
Tuesday, October 13, 2015
9:00 AM - 11:30 AM**

The Rhode Island Department of Health's Tobacco Control Program invites you to attend a free workshop to learn how to protect vulnerable populations, employees and visitors from secondhand smoke exposure in multi-unit buildings. This session is ideal for public and private multi-unit property companies, managers, staff and housing administrators considering a no smoking policy and those with an existing no smoking policy looking to strengthen it and learn strategies to enforce it. For more information contact Benvinda Santos at benvinda.santos@health.ri.gov or 222-7637.

Topics Include:

Strategies to communicate and effectively implement a no-smoking policy
Engaging residents in the process and strategies to bolster compliance
Electronic Nicotine Delivery Devices (ENDS) otherwise known as E-Cigs
Legal Issues, Reasonable Accommodations, Medical Marijuana
Promoting cessation services and available resources

PRESENTERS:

Amanda Ayers, MPH, Health Resources in Action
Benvinda Santos, MPA, Rhode Island Tobacco Control Program
Christopher Banthin, J.D., Northeastern Public Health Advocacy Institute
